Episcopal Real Estate of Long Island (ERELI)

Created in 2020, Episcopal Real Estate of Long Island (ERELI) assists with the management of diocesan real estate by providing construction, asset management and general administrative services to our parishes.

Construction

During 2024, the Construction Management team, comprised of Anthony Natale, Director of Construction, and Tina Kurek, Senior Construction Manager, successfully completed 41 projects at a cost of **\$4,884,676.00**. The team is currently overseeing **16 active projects** with total costs of **\$7,857,000**. ERELI has **25 upcoming construction projects** slated to begin in 2025, these projects are in various stages of commencement with a value of **\$8,682,000**. These projects are funded through a combination of parish funds, grants and loans with a small portion of life-safety work funded through Trustees' emergency funding.

Additionally, ERELI construction continues to provide interior design and structural assessment services on many projects, eliminating the need and cost of outside vendors. In 2024, this produced a 15%-20% savings on the final project cost.

Procedure for Potential Construction Project

1. Parish requests a site visit with the ERELI construction team to discuss a potential project or construction-related issue. (See next page for contact info.)
2. After an initial site visit, the ERELI construction team will determine if it is feasible or necessary for the project to move forward. Priority is given to life-safety projects.
3. If it is determined that the project should move forward, the ERELI construction team informs the Bishop of the potential project, briefly explaining the project along with the discussed budget and funding.
4. If the Bishop agrees that the project should move forward, ERELI will begin the hiring process of architects, engineers, consultants, or contractors.
5. Any professional that would be needed for the project is now interviewed. A selection is made, contracts are written and signed.
 - a. ERELI prepares contracts for the hiring of architects, engineers, and contractors. These contracts are signed at the ERELI office in Garden City. All parties are present: priest, contractor, and the ERELI construction team.
 - i. ERELI sets the fee structure for architects and engineers
 - ii. *Example:* Architect/Engineers fees not to exceed 10% of the total cost of any renovation project – fees not to exceed 7% of any new construction project
 - iii. If a feasibility study is required, a flat fee of \$5,000.00 is paid for this study. If the project moves forward, the \$5,000.00 comes off the total end fee.
 - b. The selected architect/engineer now proceeds with the design phase.
 - c. Once the design phase is completed, ERELI will review with the parish. Changes are made if warranted, design is adjusted and finalized.
 - d. Documents are then created for the purpose of bidding.
 - e. Contractors that will be invited to bid are selected, 3-5 minimum depending on the project size and scope.
 - f. Bid packages are sent to selected contractors. Bid packages will include all pertinent information.

Procedure for Potential Construction Project (continued)

- g. A contractor walk-through is conducted; any contractor questions must be presented via email. Addendum sent out answering all questions.
 - h. Bids received, reviewed, and analyzed.
 - i. Contractors with the lowest qualifying bids are interviewed.
 - j. Contractor is selected.
 - k. All required documents needed are submitted by the contractor (insurances, workman's compensation, project schedule, schedule of values and payment schedule).
 - l. Contracts created are signed.
 - m. A kick-off meeting is held onsite and the project begins.
6. Construction phase is now in progress.
 7. During construction, the ERELI construction team:
 - a. Oversees all construction from day one to Certificate of Occupancy or Certificate of Completion.
 - b. Attends project meeting.
 - c. Reviews, approves, or rejects all applications for payments. Tracks payments.
 - d. Reviews and inspects all work for conformity.
 8. Closeout documents submitted and reviewed.
 9. Certificate of Completion or provided completion document received.
 10. Project deemed complete.

Funding Options

- Parish funds the project using their own monies.
- The parish requests funding or funding assistance from the trustees which will be presented by Anthony Natale to the trustees at the next monthly trustee meeting.
- Parish can apply for an Episcopal Church Building Fund (ECBF) loan:
 - The ECBF makes non-mortgage loans to Episcopal congregations and organizations. Loans are made for building projects, renovations, repairs, improvements and or purchase of land or buildings. This includes church buildings, schools, rectories, diocesan camps, and buildings. Loans must be reviewed, approved, and secured by the Trustees of the Estate. The maximum amount for this loan is \$750,000. Contact Anthony Natale.
 - **Additional information on the above and loan applications can be found by scanning the code.**

Compliance/Violation Bulletin

Nassau and Suffolk Properties:

There is no central repository to monitor or report violations or compliance notices for Nassau and Suffolk counties. However, there are some standard items that should be regularly monitored and inspected. ERELI will be offering an information session or publishing a newsletter in 2025 outlining those items to avoid violations.

Brooklyn and Queens Properties:

The Diocese of Long Island works with real estate consultants Jack Jaffa & Associates to monitor violations and compliance, and to provide alert services for all church properties in Brooklyn and Queens. Designated property managers at each parish should have access to Jack Jaffa’s online portal and receive email notifications about new and outstanding violations, as well as inspection requirements. City regulatory agencies have numerous reporting and compliance requirements changing at a rapid pace. Ignoring requirements and outstanding violations can lead to insurmountable penalties and potentially roadblock other building initiatives until cleared. The severity of certain violations can ultimately block the issuance of new work permits, obtaining final certificates of occupancy and even result in the loss of NYC Dept. of Finance tax exemptions. ERELI held an initial training session in 2024 and plan to host additional training sessions in the coming year.

If you have not already received an email with login credentials but believe you should be included in the contact list, please have your rector or priest-in-charge email Tina Kurek with your full name and email address to request access. Please contact Tina if you want to be removed from the contact list.

Alert services are paid for by the Trustees of the Diocese. Jack Jaffa provides representation and consultation services for various cases and summons. That service has been negotiated but it is NOT prepaid or included and would need to be approved and paid for by the parish. You are not required to use Jack Jaffa for representation. You may have other counsel you prefer to work with and there are many instances where you may be able to resolve a violation on your own.

Reach out to Tina Kurek with questions or concerns (contact info on previous page).

Leasing FAQs

How much should I rent this space for?

- Our team works with brokers and experts in the religious real estate space to assist with appropriate pricing and marketing of leasable spaces. Church spaces can be difficult to price due to the nuances but we can lean into similar spaces that have been rented within our diocese as a comparable metric, in addition to looking externally for pricing guidance. Spaces can be leased for exclusive use (24/7 use), part-time use (a particular time slot on a Sunday) or for the day (for a wedding or funeral). Our office is happy to answer your questions and assist in your efforts to monetize your space.

Will a rental jeopardize the parish's religious property tax exemption?

- Depending on the jurisdiction and the circumstances, a rental can have implications on your tax exemption status. Properties that are rented to a non-profit will typically retain the property's tax-exempt status, except in certain instances where the use of the property has been altered. Properties that are rented to individuals or for-profit entities will be returned to the tax roll. Depending on the rental income from a for-profit entity, it may be worthwhile to go back on the tax rolls. Before evaluating this decision, request an estimate of the tax bill from your tax assessors. Note that properties can have a partial tax exemption such that only the portion of the property rented to a for-profit tenant is taxable. Please reach out to our office to discuss your specific situation.

Who needs to approve this lease?

- All property encumbrances require the approval of the Bishop and Standing Committee. Properties owned by the Trustees will require the Trustees to enter into the lease agreement and will also require Trustee approval. Leases of properties that are not owned by the Trustees AND are longer than five (5) years also require the approval of the County Supreme Court.

What terms need to be in the lease?

- Lease conditioned upon ecclesiastical approval
- Safe Church training
- Background checks for all key holders
- Appropriate Certificate of Insurance
- Security deposit
- Permitted signage
- Landlord cancellation clause
- Term of lease
- Renewal options (*if any*)
- Late fees for past due rent

What other questions do we need to consider when leasing our space?

- Will the congregation need to use this space?
- What is the term of this agreement?
- Is the cost of utilities included in the price of the rent?
- For multi-year leases, are there adequate rent increases built into the rent?
- Who is responsible for cleaning, landscaping, snow removal, trash removal?
- Are times of use outlined in the lease? Are there late fees for late rent payments?

What questions should I ask a potential tenant?

- Where are they renting now and why are they seeking new space?
- What are their space needs?
- Do they have proof of funds?

Annual Property Tax Exemption Renewals

Property tax exemption renewals require an annual filing. Reminder notices are mailed out by the Department of Assessment for Brooklyn, Queens and Nassau County in early October. These counties have online filing platforms. The townships in Suffolk County mail the renewal forms in December. These forms are filed either in person or by mail.

County	Filing Notes
NYC Boroughs	Due January 5, 2025 File online → 
Nassau County	Due January 5, 2025 File via email: nccommercialexemptions@nassaucountyny.gov or via USPS
Suffolk County	Typically due March 1st. Please check with your Townships regarding the official due date.

Incorporated Villages Check with your village for their due date

Contact Jennifer Kosky to confirm your parish has filed and if possible, email a copy of the filing. You may also contact Jennifer with any further questions.

Water Exemptions for Churches and Rectories in Brooklyn and Queens

In order for an eligible organization to receive an exemption from water and wastewater charges, it must file an application with the NYC DEP Bureau of Customer Services. Having an NYC Not-For-Profit Property Tax Exemption does not automatically qualify the organization for an exemption from water and wastewater charges.

Eligible organizations that occupy multiple properties must submit an application for each property. Eligible organizations that occupy the same property must each file separately. You may mail or deliver the completed Exemptions Application Required Documentation Checklist (page 5) and Exemptions Application Line-by-Line Instructions (pages 6-7) with all required documents to the following address: BUREAU OF CUSTOMER SERVICES, EXEMPTION UNIT 59-17 Junction Boulevard, 7th Floor Flushing, NY 11373-5107.

The completed application must be signed by someone with the authority to act on behalf of the applying organization and notarized before submission. You may scan and email the completed application to: customerservice@dep.nyc.gov. Please call the EXEMPTION UNIT with any application related questions at (718) 595-7803.

The exemption application can be found on the DEP website or by scanning the code. →

Investment Fund Distributions

The monthly distribution at the portfolio level is determined by taking the average fund value of the past 36 months * annual distribution rate (generally 4.5%) / 12. This amount is then distributed to individual account holders based on their ownership percentage of the fund as of the latest month-end valuation. For example, distributions sent on March 15 are based on values as of January 31.

Annual Tithing

The tithe is 10% of the average Normal Operating Income for the last 3 years. Normal Operating Income is shown on page 3 of the Parochial Report.

Revenue

Questions about revenue help us understand the amount and types of financial resources that your church takes in each year. Revenue and expenses may be reported on a cash basis or on the accrual basis. Just be consistent.

Example B: A parishioner of St. James Church makes two contributions to the church: a \$1,000 contribution to fulfill their pledge to the general fund and a \$200 contribution restricted to the Endowment Fund. The \$1,000 contribution is reported on line 3, and the \$200 contribution is reported on line 4.

Example C: St. Stephen's Church leases a portion of their campus to an outside group on weekday mornings, and they receive \$2,000 a month in rental fees. The rental fees are reported on line 5.

3. Plate, pledge, and other contributions to the general support of the church	(3)		
<i>All contributions to the church that are not restricted for a specific purpose. In most congregations, this will be the largest revenue figure. Examples of revenue to report include loose plate offerings, all offerings toward pledges to the general fund, and all other offerings not restricted by the donor for a specific purpose.</i>			
4. Contributions restricted by contributors for specific purposes	(4)		
<i>All contributions for which the contributor directed/restricted/designated the money to a specific purpose. Examples of revenue to report include contributions made to the Endowment Fund, contributions to a capital campaign, and all other contributions restricted by the donor for any specific purpose.</i>			
5. All other revenue	(5)		
<i>All other revenue received, except for gains on the church's investments. Examples of revenue to report include grants from organizations, fundraising revenue, sales from a church thrift shop, rental revenue, and interest earned on your checking and savings accounts.</i>			
<i>Do not include the gains and losses (realized and unrealized) on the church's investments. That information is reported in line 9 below.</i>			
Total Revenue (Lines 3+4+5) = A			

Stewardship in 2025: From Obligation to Inspiration

Stewardship often feels like a chore for church leaders and, at times, an uncomfortable topic for parishioners. Yet stewardship is so much more than a financial obligation. Stewardship has the potential to increase vitality not only through financial sustainability but also by uplifting the spirits of parishioners and strengthening the vitality and impact of local parish ministries and missions.

When approached with intentionality, stewardship becomes a transformative practice that deepens discipleship, fosters connection, and inspires generosity. It is a means of aligning resources with mission-driven goals, ensuring that the Church continues to serve as a beacon of hope and grace in the world.

Effective stewardship:

- **Celebrates God's Faithfulness:** Recognizing and giving thanks for the abundance that God has provided.
- **Empowers Parishioners:** Inviting them to actively invest in the mission and ministry of their parish.
- **Tells the Parish's Story:** Highlighting the unique ways each community reflects God's love and serves its neighbors.

By reframing stewardship as an opportunity to celebrate and inspire, parishes can move beyond obligation and cultivate a culture of generosity that supports sustainable ministry and growth.

Growth and development within a church's stewardship program require time and resources, and we understand that both can often feel in short supply—which is why the Office of the Bishop is here to provide support and guidance every step of the way. The Bishop's Office is dedicated to empowering parishes to thrive in their stewardship efforts in order to optimize the uniqueness of each local parish and maximize the impact that their collective generosity can have on their community. By working together, we can build stronger, more vibrant communities that reflect God's abundance and love.

The Office of the Bishop serves parishes by:

- **Equipping Leaders:** Providing practical tools and frameworks to clarify and communicate mission, vision, and values which then create the framework, vocabulary, and passion which drives stewardship.
- **Connecting Communities:** Facilitating collaboration and idea-sharing among parishes across the diocese in order to discover how sharing resources can increase ministry and community.
- **Encouraging Growth:** Offering workshops, resources, and individualized support to help parishes navigate challenges and celebrate successes.

These initiatives are designed to help parishes celebrate their unique stories, build capacity, and foster long-term sustainability.

The One Mission Campaign: A Mosaic of Ministry Throughout Long Island... and Beyond!

The One Mission Campaign remains a critical resource for parishes seeking to:

- Address local capital and infrastructure needs.
- Build financial reserves for future ministry initiatives.
- Strengthen the partnership between parishes and the Office of the Bishop.

The One Mission Campaign is a collaborative initiative designed to strengthen parishes and the diocese by addressing critical needs, fostering sustainable ministry, and advancing the mission of the Church. This campaign empowers parishes to address their unique challenges while participating in a shared vision for growth and vitality across the diocese.

Beyond local needs, the One Mission Campaign supports diocesan initiatives, including racial reparations, strengthening Episcopal ministries, and maintaining vital institutions such as the Cathedral of the Incarnation and the Mercer School of Theology. While participating in this collective and vital ministry effort throughout the diocese, each parish maintains the vast majority of funds raised during its local campaign, ensuring that the resources directly support its specific needs.

At no expense, the diocese will provide participating parishes with professional support which will include:

- Campaign strategy development.
- Training and resources for clergy and lay leaders.
- Assistance in storytelling and communications to inspire generosity.
- Access to tools for donor engagement and financial management.

The campaign demonstrates the power of collective generosity and collaboration. By working together, parishes and the diocese can achieve bold and lasting impacts that reflect God's abundance and ensure vibrant ministry for generations to come.

Through the One Mission Campaign, parishes are not only resourced for today's challenges but are also equipped to build a thriving future.

Benefits & Other Employment Matters

Clergy Pension

Clergy Pension is billed monthly directly from Church Pension. Clergy's pension benefits will be frozen (temporarily lost) if the pension payments are more than six (6) months in arrears. Clergy Pension is calculated using a CPG formula and has several components. **Clergy Compensation must be updated in the Church Pension system** every time there is a change in any component of a clergy's compensation package.

Note: Supply Clergy serving the same cure for 5 or more months must be assessed for pension from the start date.

RSVP

RSVP is a resource that clergy can use to save additional money towards retirement. It is administered through Fidelity. All clergy equity allowances (paid by employer) and personal contributions through an employee's payroll deduction must be processed by the Church/Employer. Each Church should have a designated Officer signed up to make these contributions online. Equity Allowances for clergy **MUST** be deposited in this account and are not to be additional income to clergy.

Note: Contributions should be processed either per payroll or per month. IRS rules state that a contribution of "employee's" money must be invested within 45 days.

Lay Pension

Lay Pension – IRS states that IF an employee (could be clergy, too) is contributing to a retirement fund, payments must be made within 45 days of the payroll in which the funds are deducted. Vehicle used to make this payment depends on how the church is set up. Could be PSW or the Simplified Contribution Platform. Contributions should be made electronically through the Fidelity portal. Lay Pension is calculated based on the Lay Pension plan adopted by each church. Each church **MUST** have a Lay Pension plan adoption on file with CPG even if you currently have no lay employees. **Lay Pension has been mandated since January 1, 2013** by General Convention at a minimum employer contribution of 5% base and 4% match.

Note: Pension benefits begin on the 1st of the month following employment. Compensation spreadsheets are available thru the Human Resource Office at the diocesan offices to help in understanding the financial obligation surrounding clergy and lay employment. Contact Nancy Signore for assistance.

Medical, Dental, Group Life, Supplemental Life, & Disability

All employees are eligible for these benefits if they work at least 20 hours per week. **Hiring a lay employee for less than 20 hours per week to avoid the cost of benefits is an unfaithful act of discrimination against lay employees.** These benefits go into effect on the 1st of the month following employment. Benefits generally terminate at the end of the month employment terminates or if the premiums are more than 90 days in arrears. All questions or concerns regarding these benefits can be directed to Client Services at (855) 215-5990.

Note: Effective January 1, 2013, all churches must provide benefits through the Medical Trust as mandated at General Convention in July 2012. Contributions to plans outside those offered by the Medical Trust becomes taxable and pensionable income for the employee. Employers of eligible employees that are also Medicare eligible cannot contribute toward the cost of a supplement or Part B.

Benefits & Other Employment Matters (continued)

Medical, Dental, Group Life, Supplemental Life, & Disability (continued)

- Medical is billed monthly directly through the Medical Trust. Premium cost can be shared between employer (church) and employee, but the church must be consistent with their practice among all employees.
- Dental is also billed through the Medical Trust and follows the same guidelines outlined under Medical.
- Group Life must be provided to clergy at a cost of \$38 per month. This benefit is also billed monthly through the Medical Trust. It is at the church's discretion if they want to provide life insurance to lay employees. Again, if you provide to one eligible lay employee you must provide for all eligible lay employees.
- Supplemental Life Insurance is an employee-paid benefit and must be enrolled in within the first 60 days of employment. Payment for this benefit can be handled through a payroll deduction or can be billed directly to the employee.
 - *Note: Supplemental Life premiums increase every five years. Pay close attention to your bills if you are requiring the employee to pay this through a payroll deduction.*
- Disability Insurance – claims can be filed simultaneously for short-term and NYS Disability. PFL and Worker's Comp cannot coincide with other disability claims.
 - Short- & Long-Term Disability is available through the Medical Trust and administered through AFLAC. Premiums are generally paid by the employer. Short-term goes into effect on the 15th day of disability and payment goes to the employer, if compensation is continued, or directly to the employee, if compensation is stopped. Compensation can be up to \$1,500 per week. This is an optional benefit for lay employees and a Church Pension provided benefit for clergy.
 - *Note: You may contact AFLAC directly at 800-206-8826 for any questions or concerns regarding AFLAC benefits or claims.*
 - NYS Statutory Disability is generally billed through Standard Security and is a **NYS mandate**. Standard Security is a new administrator as of 2023 and will bill annually for this benefit in January. Benefits go into effect on the 8th day of disability and pay up to \$650 per week.
 - Paid Family Leave (PFL) is also a **NYS-mandated benefit** to all employees. It too is billed through Standard Security, as of 2023, in the same bill as NYS Statutory Disability on an annual basis.
 - *Note: you may contact Standard Security directly at 800-477-0087 for any questions or concerns regarding benefits or claims for NYS Disability or PFL. Clergy are exempt from NYS Disability and PFL. To enroll clergy in these benefits form DB135 must be completed and submitted to Standard Security. Form available through Human Resources.*
 - Worker's Compensation is billed through Church Insurance on the same bill as your property insurance. Claims are handled through Liberty Mutual, and you can refer any questions or concerns directly to Church Insurance at 800-223-5705.

The Guidelines to Clergy Compensation in the Diocese of Long Island

The Guidelines to Clergy Compensation in the Diocese of Long Island is a consolidated overview of clergy benefits and is available on the diocesan website. It is approved annually at the Diocesan Convention. These guidelines should be strictly observed in all Clergy Ministry Covenants. Many of the components are listed above but it also includes:

- Cost of Living Adjustment (COLA), which is determined by the Diocese annually and is meant to be the basis for conversation regarding annual salary increases.
- Supply Priests compensation at a rate of \$250 per service plus travel (either miles or actual public transportation).
- Mileage Rate is payable by reimbursement, as recommended by the Business Manual in Church Affairs, at a rate of .70 per mile. Payment of a travel allowance to clergy is frowned upon since this allowance then becomes taxable income and pensionable. This rate is updated in December of each year by the IRS.

The Guidelines to Lay Employee's Compensation in the Diocese of Long Island

The Guidelines to Lay Employee's Compensation in the Diocese of Long Island outlines the components that make up a lay employee's compensation and benefits package. Please note that only lay employees hired to work 20 or more hours per week are eligible to enroll in benefits through Church Pension or the Medical Trust.

Lay Employees should not be paid less than \$16.50 per hour and consideration should be given for experience and length of service. Hourly employees are entitled to overtime (1.5 of hourly rate) for all hours worked over 40 in any given week. Salaried (overtime exempt) employees must earn at least \$64,350 in 2025 to remain exempt from overtime pay. All Sextons and Organists do not meet the requirements for Independent Contractors (1099) and should be W2 employees.

Diocesan Payroll Service

Diocesan Payroll Service is highly recommended by Bishop Provenzano to be used by all churches throughout the Diocese for anyone being paid for ongoing service either as a W2 or 1099 (Independent Contractor) employee. The cost of this service is the lowest we have found and amounts to approximately \$2 per employee per pay period. Our service works on a bi-weekly cycle of payrolls with a payday of Friday. As it stands right now, approximately 105 churches are utilizing our service. Please contact our Payroll Processor, Therese Lynaugh at tlynaugh@dioceseli.org for a quote if you are among the few churches processing payroll through another means. Added bonus - For those churches that utilize the Diocesan Payroll Service, their employees are also eligible for:

- Flexible Spending Account, which reduces an individual's taxable income and allows you to use tax-free dollars to pay for eligible out-of-pocket, medical, dental, prescription drugs, mental health, or eye care needs.
- Transportation Fringe Benefit, which also reduces your taxable income and allows you to pay for railway or subway commutes to and from work with tax free dollars. It also allows you to pay for parking expenses associated with your commute to and from work.
- AFLAC, which is a supplemental insurance that puts dollars in your pocket when you are faced with a hospitalization, critical illness, accident, or dental needs.

Note: These three (3) payroll-benefits are at the employees' expense and are paid through a payroll deduction. Also note that any money in the form of compensation, moving expenses, car allowance, gifts, or tuition support, for the employee or a family member, must be reported as taxable income, no matter where it is sent or who the check is made payable to. For additional information on these benefits please contact our Human Resource Manager, Nancy Signore at nsignore@dioceseli.org or 516-316-4297.

Benefits & Other Employment Matters (continued)

Clergy Housing Resolution

Clergy Housing Resolution should be on file in the Vestry Meeting's minutes for every clergy whether they are provided with housing or not. A copy of these minutes should be provided to the clergy for tax purposes. The resolution only needs to be resubmitted if the clergy wishes to change the amount of their housing allotment. **Reminders to update this resolution are sent out annually and all information, sample resolutions and worksheets are available on our website under Human Resources.** Any questions on this process can be directed to Human Resources. The Church Pension Group provides clergy tax specialists to assist clergy with any tax questions. You can reach out to **Maryann Hanson at 877-305-1415** for assistance. It is strongly recommended that all clergy consult with a tax advisor concerning their Housing Resolution.

This can be divided between employer contribution and employer match but base contribution must not be less than 5%.
LIFE INSURANCE	Available through Church Life Insurance. Can be employer or employee paid benefit. Value of life insurance is double the annual salary to a maximum of \$50,000
NYS SICK & SAFE LEAVE	Eff. 1/1/2021, NYS mandates all employees are provided one (1) hour paid time off for every thirty (30) hours worked for a maximum of forty (40) hours per year. SABBATICAL LEAVE	Currently there is no set sabbatical leave for lay employees, but it is being looked into.
The COLA shall be the basis for compensation conversations with all continuing lay employees having already completed at least one full year of service. Diocesan practices are to address salary increases on an every other year basis. This resolution is a guideline and not a mandated salary increase.	
* Employee Assistance Program addresses the emotional, physical, family and legal needs of employees and their dependents in the form of immediate help, referrals and resources.
